

Medame and Sirs,

We feel honored to introduce ourselves.

Ms Eriko SATO is the third generation of our historical wholesale company. Since foundation in 1911, we have been engaged in musical instrument selling wholesale in Japan and world wide distributor, and we have contributed to music development till today. Therefore we are the oldest wholesaler in Japan.

Before the World War 2, we were trading every kind of instruments. After then, in these forty years, we specify the string instruments.

We are having violins from Japan, China, America, Germany, Czech, Hungary and Italy.

And we have the ability to sell the most biggest quantity of violins for domestic market and we have contributed to music development till today.

About especially violin sale, we have been having the most selling number in domestic.

We can let player understand the special feature and quality of wonderful instruments.

Please feel free to contact us any question and any offer.

Thank you.
